## Exam locations

DipLCM examinations may be held at a range of exam centres throughout the UK and overseas.

ALCM, LLCM & FLCM diplomas are normally examined by a panel of two examiners and, dependent upon the number of entrants from each area, these exams may only take place at a limited range of centres (for example, in the UK candidates should be prepared to travel to London for their examination).

Overseas candidates should contact their RGT national representative or the RGT@LCM office for details of exam locations.

## Online entry

You may now enter for your RGT diploma online – please visit [RGT.org](http://RGT.org)
