1. Overview

In response to the ongoing COVID-19 pandemic, London College of Music Examinations is offering recorded alternatives in order to assess the work candidates have prepared for the Spring 2020 exam session.

The following exam alternatives provide the opportunity for the assessment of musical performance, whereby candidates upload a video file of their performance, rather than attending an examination venue. Performances are assessed by trained LCME examiners, using the same standards and criteria as are used for face-to-face, live exams. This offers candidates a reliable, independent, regulated assessment of their performance standard, while benefitting from the flexibility allowed by the submission process.

2. Entry Details

Candidates entered for a face-to-face exam in the Spring 2020 session may choose to switch to a recorded exam at no additional cost. Once candidates have recorded their exams, they can be uploaded via the LCME website. Please see *submission guidelines* (**page 5**) for details.
