When you open the booking form, the default setting is for you to be listed as the booker.

The booker is the person to whom the attendance notices will be emailed.

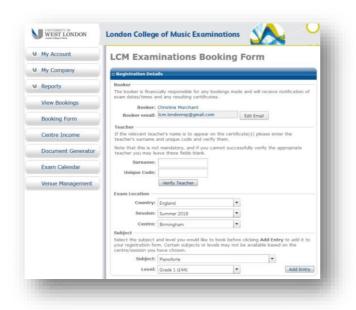

You can either leave yourself as the booker or change this to be the candidate, the parent or the teacher.

You will also, by default, be listed as the teacher. If this is not accurate you can delete this by clicking **Clear Teacher**. You can then add a new teacher or leave the teacher blank.

To add a teacher you will need to add their surname and their teacher code and then click **Verify Teacher**.

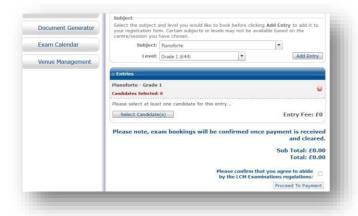

To find out a teacher's code please refer to a previous Report Form, or log in to the <u>teacher's</u> account and the code can be found under My Account, or contact the <u>LCME office</u>.

Next choose the exam subject and level.

Then click Add Entry.

When the subject/level combination you have chosen is displayed, click **Select Candidate(s)** to enter one or more candidates for this exam.

The **User Selection** window will open. The company dropdown menu will default to **All Companies**. The companies visible to you will be your centre(s) and a company names after you.

You can search for existing candidates in all companies.

If you want to create a new candidate, choose the company they will be saved in and then click **New User**.

When you have completed the timetable and sent the attendance notices, the exam date and time will be displayed in the **Exam** column on the View Bookings page.

The results, when the examiner has uploaded them and they have been processed, will be displayed in the **Results** column.

Bookers, teachers and candidates will also be able to view their results on the View Bookings page.

The **PR** column tells you if the exam has a prerequisite and gives an indication on the candidate is in the process:

Code	Definition
N/A	Not applicable – there are no prerequisites for this entry
R-NS	Required not seen - there is a prerequisite for this exam but LCME has not seen the evidence
R-D	Required document – the booker/candidate has uploaded a document to ERIC
R-S	Required seen – LCME has seen the necessary evidence

Once a prerequisite document has been uploaded to ERIC, the LCME office will approve it. Certificates cannot be issued for candidates who have not submitted evidence of their prerequisite qualification. Venue Management is the page where you can manage the venues linked to your exam centre(s). ERIC will store multiple exam venues. All the venues used by your centres can be found in Venue Management.

# Timetabling an Exam Day

Open the Exam Calendar, select the session and the centre. Use the arrows to navigate to the relevent date.

Right-mouse click on the exam slot you are going to timetable and click **Bookings** to open the timetable.

When you open the timetable, the categories which have been applied to the slot will be shown at the top.

The un-timetabled candidates (from these categories) will be listed on the left hand side.

The right hand side is the timetable for the day broken down into 5 min slots.

You can sort the candidates by booking date, teacher name or candidate name.

To move candidates one-by-one, click **Add** (to the right of the candidates' name).

Either of these methods will move the ticked or selected candidates to the right hand side and into the timetable.

Candidates will be added to the first available space. They appear on the timetable in a grey box: one per candidate, duet or group.

You can delete a candidate from the timetable by clicking the red cross on their grey box.

You can move a candidate to another time within the day by dragging the grey box to another position on the timetable. You must include a lunch break and two 15 min breaks in the morning and afternoon for each exam day.

To do this, right-mouse click on the timetable and click **Insert Break.** 

Label the break 'lunch' or 'break' and click **ok**.

The default setting is for the break to be 5 mins so you will need to extend this by dragging the bottom of the break down so that it occupies the correct amount of time.

Examiners require an hour for lunch and each day must have two 15 mins breaks.

You can move breaks in the same way that you move candidates: drag the grey box to the new time.

**IMPORTANT:** make sure you click **Update** after making changes otherwise your work will not be saved.

## Timetabling FLCM candidates

Because FLCM Music exams have two parts (practical and programme notes), you need to schedule both parts at the same time as in the example on the right.

If you hover over the slot now the message will tell you the examiner name and how many candidates have been scheduled.

The message also tells you that no attendance notices (ANs) have been sent.

The attendance notice is the document which tells the candidate where and when the exam will be held. It pulls data from the following pages: View Bookings, Venue Management and Exam Calendar.

To send the ANs for a confirmed exam date, right-mouse click the exam slot in Exam Calendar and select **Send Attendance Notices**.

You will be asked to confirm and then the ANs will be emailed to the named booker.

The attendance notices cannot be sent until the exam slot has an allocated and confirmed examiner.

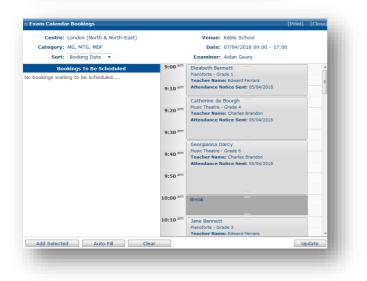

When the ANs have been sent, the **Exam** column on the View Bookings page is populated with the location, date and time of each candidate's exam:

If you hover over the exam slot now you will see that the ANs have been sent.

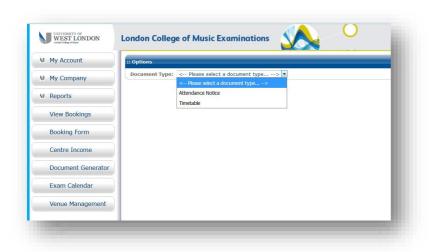

If you open the timetable you will see that the date the AN was sent is displayed against each candidate.

If you need to generate a replacement attendance notice for a candidate you can do this from the **Document Generator** (see page 18)

**IMPORTANT:** Examiners have access to the timetables created by reps and they can only record results for candidates included in the online ERIC timetable. Please ensure you timetable all candidates. Additionally please make sure your ERIC timetable is an accurate reflection of the exam day and all last minute changes are updated. For example: if you were holding a session with multiple examiners and at the last minute one candidate moved from one examiner's schedule to another, you would need to make sure you reflect this change in your online ERIC timetable so the new examiner can add the canidate's result.

**MULTIPLE EXAMINERS:** If you schedule a day of diplomas and non-diploma exams (for example 2 examiners in one room examining diplomas in the morning who then separate in the afternoon for grades) you would need to create 3 slots: one for the two examiners in the mornoing and 2 slots for the afternoon.

You can print two documents from this page: Timetables and Attendance Notices.

Venue Management											

The theory centre will appear as an additional centre in drop-down menus on various pages including View Bookings (left), Exam Calendar and the Document Generator.

## **Timeline for Theory Sessions**

Theory exams are processed differently from practical exam sessions. The theory date is set in advance by the LCME office so the ERIC functions theory centre reps need to complete are different.

### There is no need for you to

- Create an exam slot: ERIC will automatically create a slot in the Exam Calendar on the correct date and time
- Timetable candidates: ERIC will also timetable all theory candidates

### You will need to:

- Book a venue for the exams and ensure it is included in the Venue Management page in ERIC
- Send the attendance notices with the correct venue details

### **Theory Invigilators**

Centre Representatives are normally the invigilator on the exam day. If however you are entering your own candidates for exams it would not be appropriate for you to also be the invigilator. You must advise the LCME office if you intend to enter theory candidates and provide the name and address of a suitable invigilator to deputise for you. Approval must be sought ahead of time – please contact the LCME office.

## **Theory Venues**

When you send the attendance notices for theory exams ERIC will ask you to confirm which venue you are using. You will be able to select from existing ones or add a new one.

# **Theory Papers**

The exam papers will be sent to you 2-3 weeks ahead of the exam day. These must be kept confidential and stored in a secure location.

The Centre Income page works in the same way as the View Bookings page but gives slightly different information. You can filter by session and centre at the top of the page. Like the View Bookings page, the Centre Income page displays data relating to entry numbers and session durations.

The summary at the top shows the number of candidates entered, the icome and the duration of the exam session.

All the candidates entered at the selected centre are listed. Candidates who have transffered to another exam centre are shown with strike-through.

At the top of the page the **Total Fees** and **Centre Income** are displayed. These figures will not always be the same:

*Total Fees*: this figure is the total of all entries made at the selected centre including any candidates who have been transferred to annother centre.

*Centre Income*: this figure is the total of all entries made at the selected centre excluding any candidates who have been transferred to another centre.

From the Reports page you can generate excel spreadsheets of data. These can be useful when timetabling or producing databases for generateing labels in word. There are two reports available: **Candidate List** and **Session Progress.**
